

# I’m Hannah Na-Cole

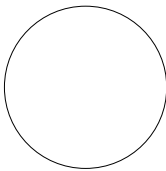

A creative marketing professional based out of SoCal here to capture both still and moving moments on my DSLR and do free design work for my cheap family and friends who are in need.

“

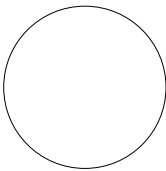

A really cool quote that i like the most (maybe about art?) is going to go here, but the only problem is that all I change my mind all the time about my favorite quotes.”

- Full Name Goes Here

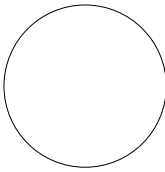

**PHOTOGRAPHY**

Photos captured from my travels. Contains photography from community events and other lifestyle photos as well.

**VIDEOGRAPHY**

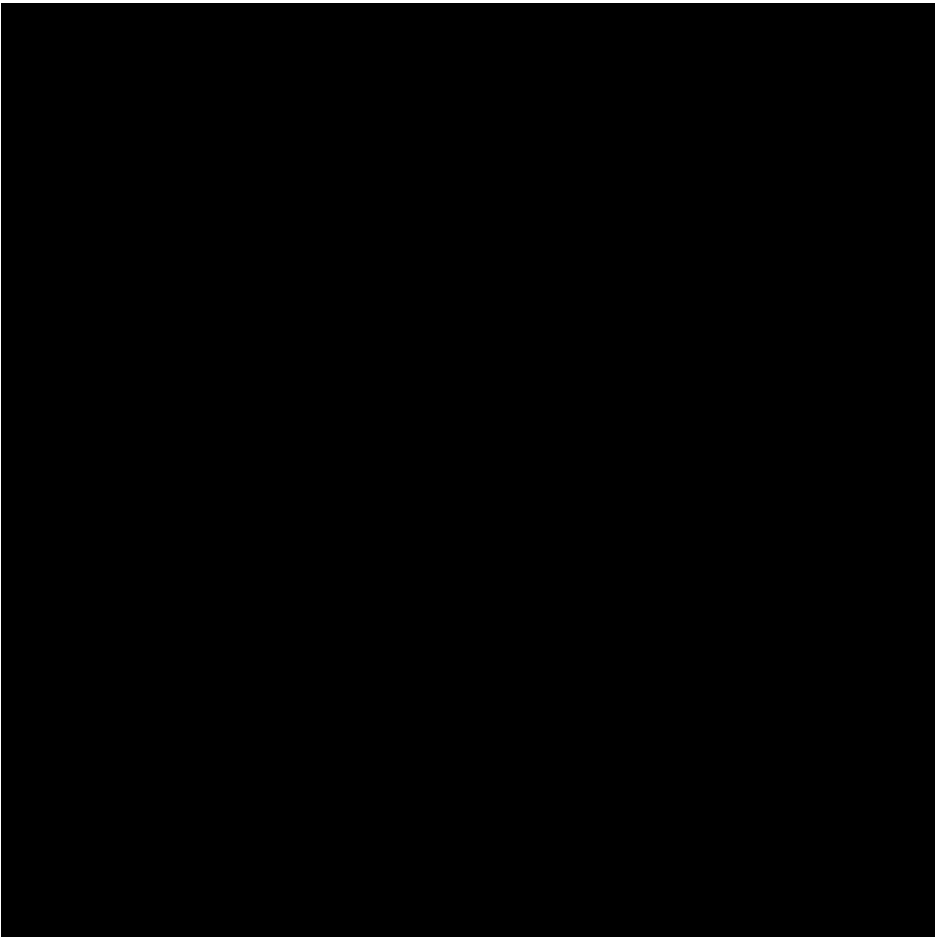

See archive files of videography and heavy video editing work for a creative arts / dance ministry called TOMStudios. Plan to bring a lifestyle one someday.

**DESIGN**

Design work, namely, logo and literature development for companies, community and non-profit events.If you’re passionate about an event and in need of a logo, let me know.
